

ADVANTAGES OF THE NEW ONLINE PAYMENT FACILITY

- The benefit of using the current Online fee payment facility is that the success of payment is nearly 98%.
- You may use the debit card / credit card / netbanking option at no extra charges for Online banking.
- Every time the fee payment transaction is made, a fee receipt will instantly be generated, which can be printed from the payment history in the App.
- The generated fee receipt can further be used as a document for IT returns.
- The current fee status can be traced at any given point of time for reference.
- Access to fee payment has been made easy, as payment can be made from anywhere at anytime of the day.
- If by chance a double fees transaction is made from your end, the excess transaction will be credited to your account within 3 working days after receiving a note from your end.
- As of September 2019, there are certain benefits available to HDFC Bank customers.
- Support for Online fee transaction if required, will be available to you within school working hours.
